

SOUTH COUNTY HEALTH

2023-24 PHARMACY RESIDENCY PROGRAM

SOUTH COUNTY HEALTH

South County Health (SCH) is a full-service healthcare resource offering a comprehensive range of advanced inpatient, outpatient and home health services. Accredited by The Joint Commission (TJC), South County Health is made up of South County Hospital, South County Medical Group, South County Home Health, and South County Surgical Supply.

South County Hospital (SCH), part of South County Health, located in the beachside community of Wakefield, RI, is a Joint Commission Accredited, 100-bed acute care community hospital.

Within the SCH community, you will hear a lot about our guiding values of integrity, caring, respect, excellence, partnership, and stewardship. To all of us working to ensure that our patients and their families receive the best possible care, these values have great meaning.

We are dedicated to the highest level of expertise and technology in a setting focused on comfort, convenience, privacy, and well-being.

The Program

The Community

Located in the southernmost edge of Rhode Island, you will find one of New England's most-loved vacation spots, South County. Blessed by nature, this scenic area is filled with miles of sandy beaches, wildlife preserves, parks, and hiking areas.

Voted one of the 12 best places to vacation in North America
- Money Magazine

Conveniently nestled about 30 minutes outside of Providence by car, South County is the epitome of a classic New England getaway. South County is 80 miles south of Boston and 160 miles from New York City.
